

HAMPSHIRE RESIDENTIAL DINING

Pack-out Guide for Teams, Groups and Student Organizations

We recognize that there may be times during the academic year that students in your organization find it impossible to attend meals in the Dining Hall at the normally scheduled meal times. The Pack-out program was designed to accommodate those instances! If your college-sponsored group, club or team cannot attend the normally scheduled meal in the dining hall, you may order a Pack-out meal (minimum of 15 students) and, in exchange, an equivalent board meal will be deducted from each student's weekly allowance. The following information will guide you through the steps necessary to meet the requirements of this program.

You will find brief menu and description of each type pack-out meal. All menu items are packed in bulk recyclable containers and include recyclable serveware, plates, and bowls, cutlery, napkins and condiments. Please let us know of any allergies that may need to be accommodated.

Planning Your Event

- Allow yourself enough time to place your order. We request orders to be placed a minimum of 72 hours prior to the event.
- The complete name and ID number for all participating student must be included at the time of the request. For those students not on a meal plan, \$9.50 deducted from their DCB account and/or charged to your group billing number.
- Return completed order forms to the cashier at Dining Commons or email directly to jlDC@hampshire.edu.

Pack-out requests will not be filled unless all this information is completed and turned into the dining office a minimum of 72 hours prior to your event.

If you have any questions about this program call 413.559.5777 or email james.lachance@cafebonappetit.com for assistance.
